

Science

Our focus this half term is **Animals and their habitats**. The children will be sorting animals into different groups. They will be learning about food chains and then finding out about why different animals live in different habitats.

History

Firstly the children will be finding out what has changed since they were babies. Then we will be focusing on music in the past, looking at the Beatles in particular.

Design and Technology

This half term the children will be designing, making and then evaluating their own musical instrument. They will need to think carefully about its purpose and will need to make it appealing.

P.E.

We will be teaching the children games and dance this half term.

The Dance focus will be Maypole Dancing. In Games, we will be teaching them attacking and defending skills.

English

We shall be firstly focusing on the film "**Sing**" and then moving on to the book called "**The Talent Show**" with a final focus on "**Poems**".

All children will have Handwriting, Grammar and Spelling lessons throughout the week.
