Items discussed:

Welcomed children to School Council, introducing members of staff and children.

Gave children their new badges, explaining that we need to keep the badges in school (in trays, on teachers desks) to ensure they don't get lost.

1. Recapped what we have done previously in School Council e.g. change Rosie's Walk to the Stickman trail- *Children were excited to have a new reward journey and work their way through Stickman.*
2. Looked at and discussed leaflets for charity fundraising:
 - *Save the Children CHRISTMAS JUMPER DAY-* Children voted to do this again as previous children enjoyed wearing/making their Christmas jumpers.
FRIDAY 16TH DECEMBER £1
(CS registered to take part again)
 - *Children in Need SPOTACULAR event-* Children thought of ideas to raise money e.g. come to school with spotty face paint, spotty clothes, decorate a biscuit, create a spotty picture.
14-18th NOVEMBER £1
(CS registered to take part again)

For next meeting asked children to discuss with their classes what they think bullying is and how it can be stopped (get children's perspective). Next meeting will discuss anti-bullying.

School Council brought forward to Anti-Bullying week, to link with group discussions?
