

UTW & Creative Medium Term Plan – Spring 2 2025

Week	<u>UTW</u> Show an interest in plants and is beginning to understand that we need to take care of them	<u>Creative</u> Using a range of media – chalk, wax crayons, paint, pencils
1&2	Plant beans - model planting vocabulary (including names of garden tools) What a plant needs to ensure it grows (soil, water, sunlight) Observe beans (using magnifying lenses) – describe and compare different beans (look at pattern – link to Maths)	Loose parts (beans, seeds etc) and picture frames Tree bark rubbing (wax crayons)
3&4	Fruit – observation through sense of touch, smell and taste	Fruit printing (paint)
5&6	Baking bread – observing changes as ingredients are mixed (wet and dry), dough rises (change of shape) and as the bread is baked (change of form) Melting chocolate - to make Easter nests	Decorate an Easter egg using choice of media
